

Peter Lawrenia, Snow Operations Director

A highly energetic and detailed manager with 20 years of snow removal experience, Pete has the specialized skills and customer-friendly personality to run Hoffman's intense Snow Removal operations.

His is no easy job considering that a rapid and effective storm response demands 24-hour attention, often over the course of several days. Pete directs the coordinated efforts of dozens of trucks and heavy snow removal machines, plus between 150 to 200 workers. The territory covers 16 towns including both commercial and residential properties.

Friendly and readily accessible, Pete's ultimate goal is to help keep walks, driveways, roadways and parking areas safe and accessible. Pete has an Associate's degree in Landscape Architecture from Keystone College. In his spare time, he enjoys spending time with his family.
